Discover Hindu Traditions Through a Child's Perspective

A Joyful Guide

Hindu Religion, Culture, and Traditions for Children

By Dr. Kumud Singhal

Now available on Amazon (Paperback & Hardcover)

Step into a world of vibrant stories, colorful festivals, and timeless wisdom! This delightful book invites Indian and multicultural families to experience the rich Hindu or Vedic culture. Through lively, heartwarming conversations between a loving grandmother and her two curious granddaughters, readers are gently guided through mythology, prayer, celebration, creativity, and values.

What's Inside?

- Storytelling with Purpose.
- Character Lessons Through Gods and Goddesses.
- Simple Sanskrit Prayers with Meanings.
- Festivals and Traditions
- Hands-on Activities

Why Parents and Educators Love It

- Based on Dr. Kumud Singhal's 15+ years of teaching Hindu culture to children in the U.S.
- Written to help her grandchildren who are growing up in multicultural families, connect with their roots.
- It bridges cultural understanding for children of Indian heritage living abroad.
- Provides a gentle introduction to Hinduism for children and adults new to its values.
- Ideal for story time, classrooms, temples, multicultural events, and festivals.
- A thoughtful gift for birthdays and festivals.
